CHATEAU
CLOS MANSIO

2022

Blaye Côtes-de-Bordeaux

GRAPES VARIETIES : 70% Merlot - 30% Malbec

CERTIFICATIONS : Organic & Vegan

SOILS : Clay-limestone and sandy

CLIMATE : Oceanic

GROWING SEASONS: 2022 started with frost. Summer was extremely hot and dry. The harvest took place during fine weather giving the wine a perfect balance between acidity and fruit, a phenomenon not seen for many decades.

HARVEST AND AGING: After selection in the vineyard and sorting in the cellar, the musts were fermented in stainless steel tanks with a 3-week maceration. The Merlot and Malbec blends were then placed in natural concrete tanks for 14 months. Two rackings allowed for the elimination of the lees, and the addition of oxygen helped soften the tannins. The Malbec had a light aging in oak barrels.

TASTING NOTES: Intense purple color with violet highlights. The nose is rich in aromas of black fruits, fresh plum combined with spices. The attack on the palate is generous, evolving into a sweet tannic structure. The finish is long and rich.

AGING POTENTIAL: 7 ans

ALCOHOL : 14% vol - pH: 3.55 - Sucre : 1.3 g/l

MEDAL: Gold Medal at
Concours Général Agricole of Paris 2024
