GRANDE RÉSERVA

2023

Blaye Côtes-de-Bordeaux

GRAPE VARIETIES : 40% Merlot
30% Cabernet Sauvignon
30% Malbec

CERTIFICATIONS : HVE 3, Terra Vitis & Vegan

SOILS: Clay-limestone, clayey

CLIMATE: Oceanic

GROWING SEASON: The 2023 vintage in our Bordeaux region was marked by a rainy spring and a late summer. Thanks to the team's great vigilance, the vineyard was preserved from the strong pressure of downy mildew. From mid-August onward, the first heatwaves appeared, and ripening accelerated in September, supported by cooler nights. A true Indian summer then settled in. The quality of the Cabernet Sauvignon is exceptional

HARVEST AND AGEING: The Grande Réserve is crafted from vines over 60 years old. It undergoes 18 months of ageing in French oak barrels sourced from the finest forests (Tronçais, Jupille, Bertrange), bringing complexity and finesse without overshadowing the fruit.

TASTING NOTES: The nose oscillates between black fruits (blackcurrant, blackberry, blueberry), dark chocolate and violet, offering a subtle and elegant aromatic profile. The palate shows fine concentration, depth and remarkable juiciness. Barrel ageing brings beautifully condensed tannins. The ripe fruit is lifted by a persistent freshness on the finish. A truly outstanding vintage.

AGEING POTENTIAL : 10-12 years

ALCOHOL : 14% abv - pH: 3.6 - Sugar : 1.2 g/l
